

D·A·T·E⁰³

Conference and Exhibition: March 3-7, 2003 Munich, Germany Call for Participation

Scope of the Event

The sixth DATE conference and exhibition is the main European event bringing together design automation researchers, users and vendors, as well as specialists in the design, test and manufacturing of electronic systems and circuits.

Structure of the Event

The five day event consists of a conference with plenary invited papers, regular papers, posters, panels, tutorials, and master courses as well as a commercial exhibition showing the state-of-the-art in design and test tools, methodologies, IP and design services. The organization of a designer forum, user group meetings, fringe meetings, a university booth, hands-on tutorials, vendor presentations and social events offer a wide variety of extra opportunities to meet and exchange information on relevant issues for the design and test community.

Areas of Interest

Within the scope of the conference, the main areas of interest are: Design methodologies, CAD languages, algorithms and tools, Testing of electronic systems, and Designer experiences. Topics of interest include, but are not restricted to:

- System Design Methods
- Modelling and Design Languages
- Formal Verification
- Platform Based design, IP Reuse
- HW/SW Co-Design
- Embedded System Design
- Reconfigurable Computing
- Design of Low Power Systems
- Analog and Mixed-Signal Design
- Simulation and Emulation
- Architectural Level Synthesis
- Logic Synthesis
- Physical Design and Verification
- Interconnect Modelling, EMC
- Test and Design for Testability
- Testing Cores and Systems

Designers' Forum

As in previous years, a special track for papers presenting design experiences will be organised. Please watch the conference web site at <http://www.date-conference.com/> for special instructions.

Submission of Papers

Papers have to be submitted electronically before September 8th, 2002 via the conference web page <http://www.date-conference.com>

Conference Secretariat

European Conferences
3 Coates Place, Edinburgh, EH3 7AA, UK
